## DESIGN EXPERIENCE

August 2010 - Present

### Web & Graphic Designer, Vuria Creative Technologies

Work directly with the Senior Designer and the developers to design custom websites for a large number of high level clients and also occasional print pieces as well as iPhone and iPad applications.

September 2010 - July 2011

### Web & Graphic Designer, Aidan Taylor

Using Basecamp as the primary method for the companies communication, I designed website mockups and helped merge them into different CMS platforms. Also created web banners, advertisements, and flyers. Wireframed certain projects using Balsamiq and also helped with basic SEO.

January 2009 - June 2010

### Intern/Graphic Designer, Banahan Communications

Designed and produced various marketing materials for print. Helped compose branding reference guides. Scanned, retouched and repaired countless photographs. Organized client jobs, files, and videos for optimal usability.

April 2006 - June 2006

### Intern/Scene Painter, FatCat Animation

Used the program Animo to paint scenes for the animated film, Rindin The Puffer; available on CD/DVD and in book format
